Event Management & Support

EVENT MANAGEMENT & SUPPORT

# Well-run events, start to finish

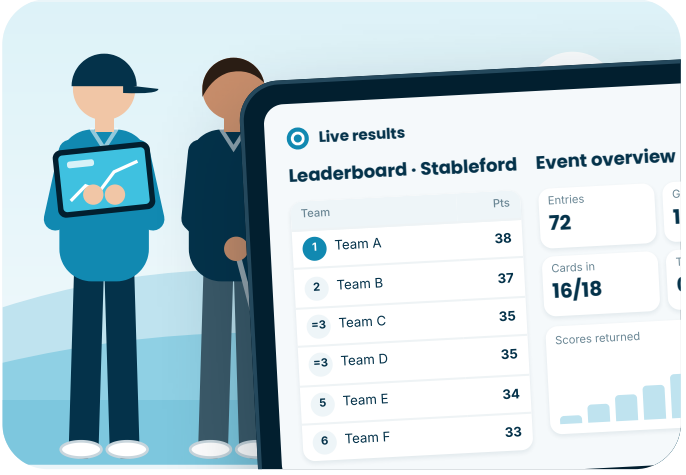
From entries and draws to live results and post-event reports, JPL Data Support takes care of the organisation and the data so you can focus on your guests.

WHAT WE DO

## Organised, professional and stress-free

Whether it's a club competition, an open day, a charity event or a corporate day, we can support as much or as little as you need — from a single results sheet to managing the whole event.

- Club competitions
- Opens & invitationals
- Charity days
- Corporate & society days
- Leagues & knockouts
- Social events



OUR SERVICES

### Planning & entries

Event format, timings and entry management — with a clear list of who's playing and what's been paid.

### Draws & tee sheets

Balanced groups and tee times, produced as clear, branded tee sheets ready to print or share.

### Scoring & results

Accurate scoring for any format, with countbacks handled and results published quickly.

### Branded materials

Posters, entry forms, tee sheets, scorecards and results sheets in your club or event branding.

### On-the-day support

A friendly extra pair of hands — registration, starter support, collecting cards and results.

### Post-event reporting

A summary of entries, results and feedback, so you know what worked and can plan the next one.

**01 Plan**
Agree the format, timings and what support you need.

**02 Promote**
Branded posters and entry forms to fill the field.

**03 Run**
Tee sheets, registration, scoring and live results.

**04 Report**
Results, a summary report and feedback.
